

# TEAM 6032 Pirate Robotics

## WEST CARROLLTON HIGH SCHOOL MEMBER APPLICATION

6032

Before applying, please be aware of the following:

- There will be at least one competition out of town to which we will be traveling. This will likely be during 1-2 school days; you will be responsible for making up any missed work during this time period.
- All members will be expected to participate in various volunteer and outreach programs throughout the season to spread the message of STEM in our community
- There are minimum requirements to be eligible to travel, including but not limited to -
  - 90% attendance rate for meetings during the season
    - Work is **not** an acceptable excuse for missing practices. As you will have a calendar ahead of time, you are expected to schedule around the meetings.
  - A GPA of 2.0 or higher; no F's
  - If suspended, one may not travel to the next competition
  - Completing fundraising for the team and travel expenses
- We expect all members to work together as a team to achieve a common goal
- Robotics is about more than just building a robot!

The complete Robotics Student Handbook is available at [wcrobotics.org/forms](http://wcrobotics.org/forms)

<b>FIRST NAME:</b>	<b>LAST NAME:</b>	<b>AGE:</b>
<b>GRADE LEVEL (CIRCLE ONE)</b> 9      10      11      12		<b>EMAIL ADDRESS:</b>

Due to the level of commitment required for the Pirate Robotics Team, you must get a guardian's signature to apply.

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Please provide the name of a teacher we may contact as a reference. Be aware that we will be checking with him/her for information about your past behavior in class and academically.

Teacher Name: \_\_\_\_\_

Subject Taught: \_\_\_\_\_ Year you were his/her student: \_\_\_\_\_

Teacher Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Please answer the following questions. Take your time in constructing your responses as we will be reading each of these. It is also necessary that you write legibly so we are *able* to read them!

Why are you interested in joining the Robotics Team?
